instrução

YEMA

Apresentamos-lhe o YEMA - Youth Exchange Mobile App!

Durante o projeto, desenvolvemos um aplicativo móvel, que é uma ferramenta de ensino de apoio ao intercâmbio juvenil internacional. O aplicativo cobre todas as funcionalidades necessárias para a comunicação do projeto, implementação baseada em projeto, gerenciamento de projeto, rede e disseminação de resultados.

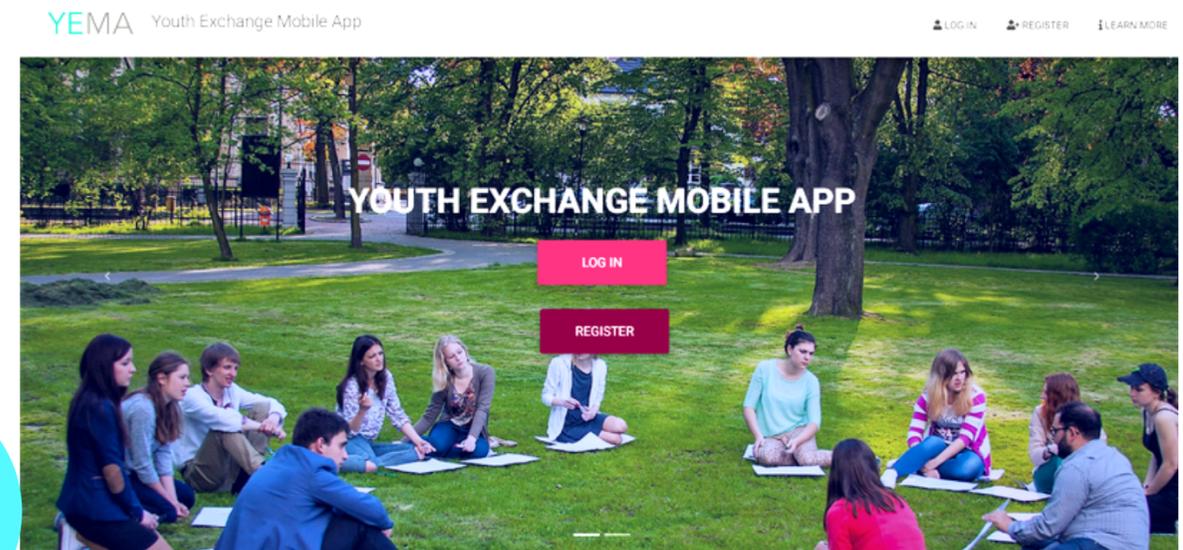

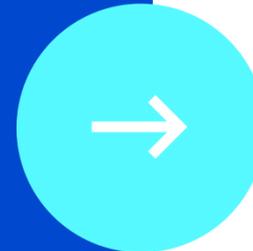

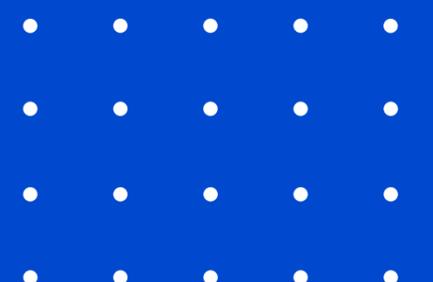

O aplicativo é um exemplo do uso eficaz das tecnologias de informação e comunicação (TIC) na educação e formação de jovens. O projeto é inovador e promove o uso de novas tecnologias como força motriz para uma mudança para melhor no campo da educação e formação de jovens.

YEMA

Adicione facilmente tarefas a fazer!

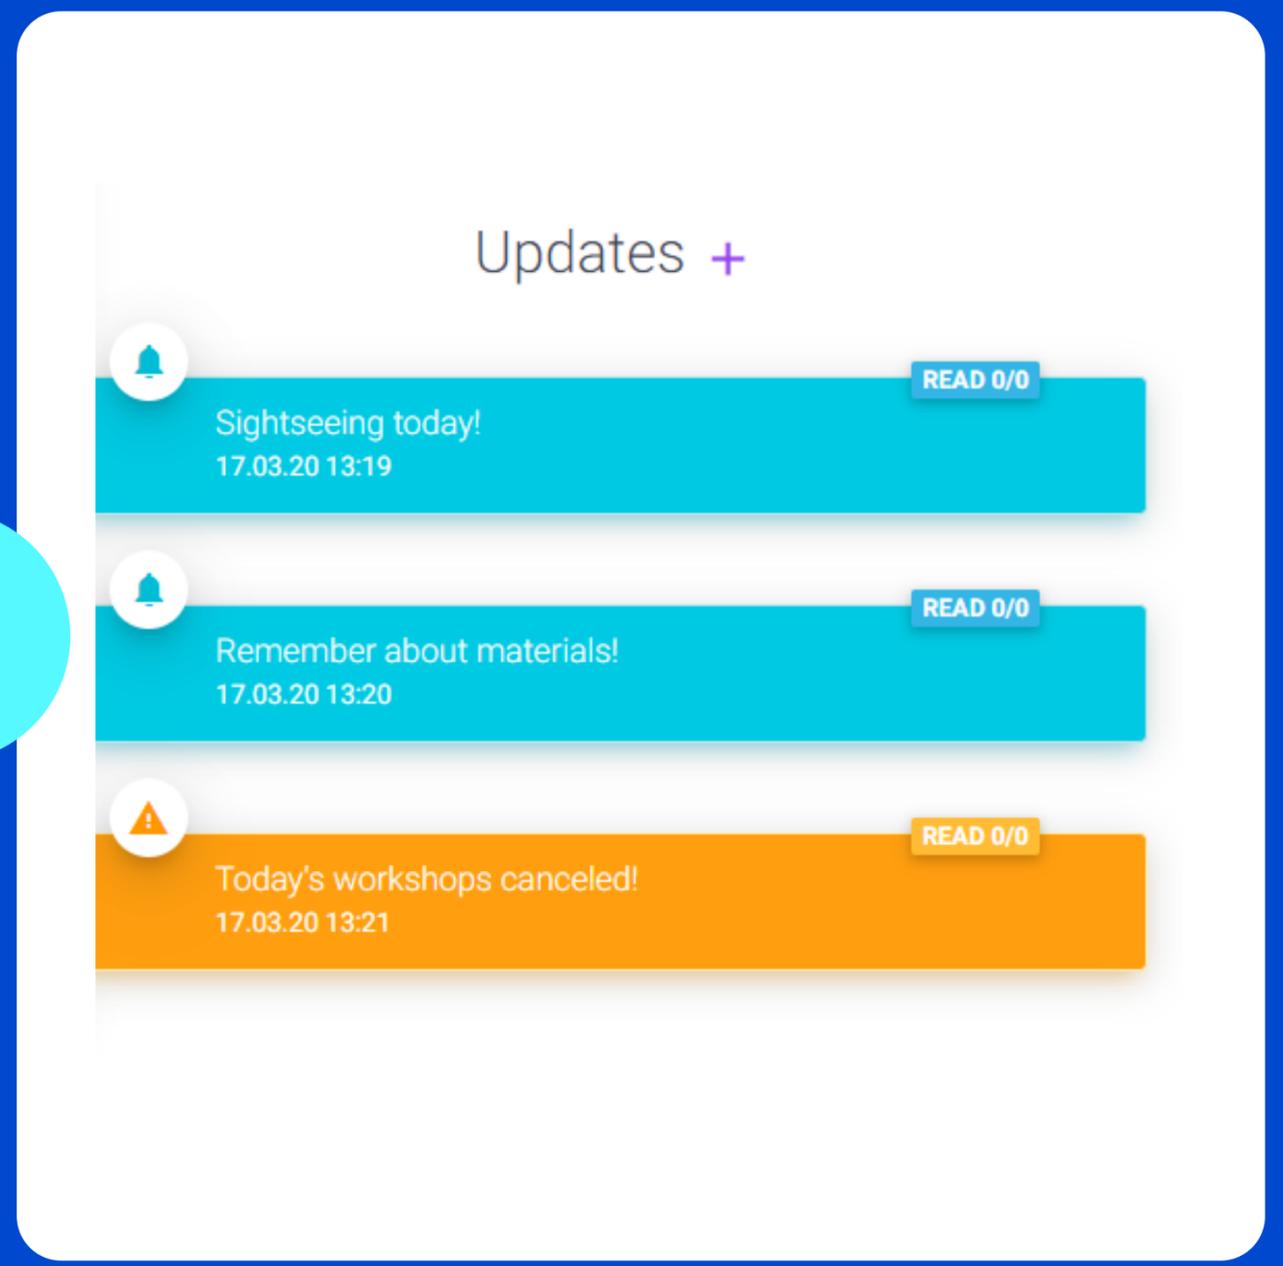

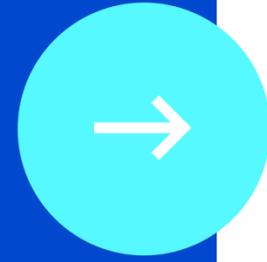

Seu design amigável permite que os participantes tenham todas as suas tarefas bem organizadas. Há uma divisão clara entre as tarefas a serem realizadas e as já concluídas.

YEMA

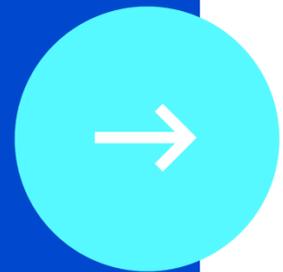

Lembre os
participantes
rapidamente sobre as
atividades planejadas
usando atualizações.

Adicione locais
que os usuários
usarão durante
a troca!

The screenshot displays two main sections of the application interface:

- New Place:** A form for adding a new location. It contains the following text: "Muzeum Śląskie", "Polska", "Katowice", and "Dobrowolskiego 1". Below the text is a horizontal line with a purple underline. At the bottom of this section are two buttons: a cyan "CLOSE" button and a green "ADD ADDRESS" button.
- Maps & Details:** A section with a navigation bar at the top containing four icons: a house (labeled "ACCOMODATION"), a fork and knife (labeled "MEALS"), a briefcase (labeled "WORKSHOPS"), and an orange square with a camera icon (labeled "HAVE TO SEE"). Below the navigation bar is a box titled "Nice places to visit" with a red plus icon in the top right corner. Inside this box is an "Address" input field. Below the input field is a list of items: "Muzeum Śląskie" and "Polska, Katowice, Dobrowolskiego 1". To the right of the list items are edit and delete icons (a pencil and an 'x').

sua organização.

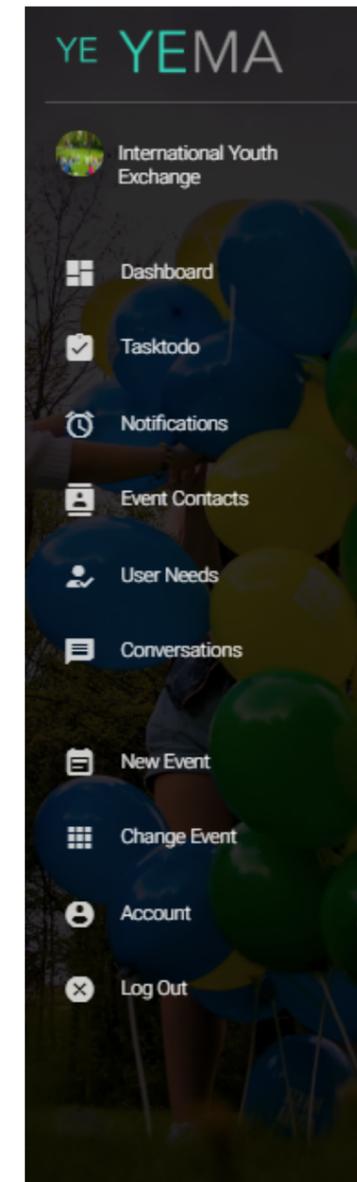

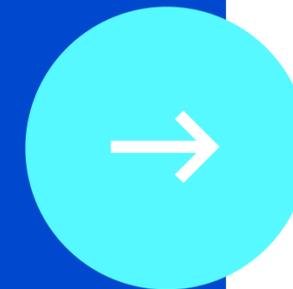

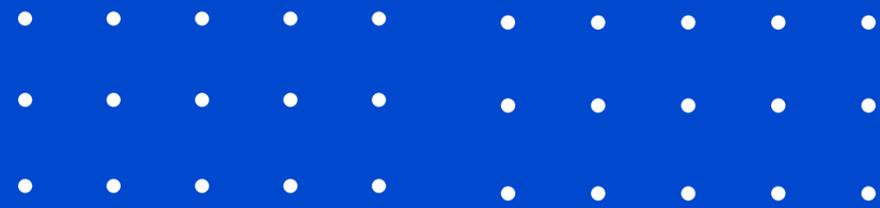

The screenshot displays the YEMA user interface. On the left is a dark sidebar menu with the following items: International Youth Exchange, Dashboard, Taskodo, Notifications, Event Contacts, User Needs, Conversations, New Event, Change Event, Account, and Log Out. The main content area is divided into three sections: 1. A photo upload area featuring a vibrant image of various fruits (pineapple, oranges, kiwi) next to a laptop, with a green 'UPLOAD' button below it. 2. A form for editing organization information, including: 'Organization Name' (Instytut Pracy i Edukacji), a 'Description' field, a 'links to your social media' section with fields for 'Tweeter Channel' and 'Facebook Channel', 'Organization Website' (http://klaster.org.pl/), and location fields for 'City' (Gliwice) and 'Country' (Polska). A green 'SAVE CHANGES' button is located at the bottom right of the form.

The screenshot shows the YEMA mobile application interface. On the left is a dark sidebar menu with the following items: International Youth Exchange, Dashboard, Taskodo, Notifications, Event Contacts, User Needs, Conversations, New Event, Change Event, Account, and Log Out. The main content area is titled 'User Needs For Project' and includes the text: 'Here you ask for some information from users. This content will show up for users during registration for the event.' Below this is a green button labeled 'NEW PARTICIPANT'S NEEDS'. A table below the button shows a list of needs:

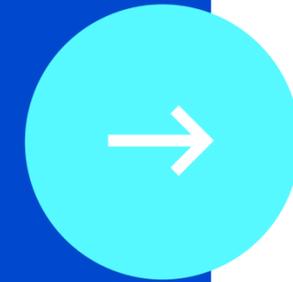

#	Content	User can enter text	Actions
1	What is your language level?	<input checked="" type="checkbox"/>
